Green Festival at Peninsula Park

In an effort to celebrate young families dedicated to a greener lifestyle, residents from throughout the community will be gathering together at Peninsula Park on Sunday, Sept. 25 in north Portland at the 6th annual Green Sprouts Festival.

Along with several fun family activities and musical performances,

the free event will feature exhibits from local green businesses, and hold seminars focusing on natural and healthy child-rearing.

Sponsored by the ReDirect Guide, the festivities will celebrate the natural and healthy options for expecting parents and young families. The organization also invites

the public to help set the world record for the most persons wearing a baby carrier, which has never been attempted before.

The event will be held from 10 a.m. to 5 p.m. For more information, seminar schedules and a full list of activities, visit GreenSproutsFest.com.
