

We're in the business
of providing hope,
access and potential.

Join us.

Home Forward (formerly the Housing Authority of Portland) provides shelter and support for our neighbors in need. Because with the essentials of a home, individuals can move forward in life. Today, we are more committed than ever to serving our community of Multnomah County by providing **hope, access, and the potential for a better tomorrow.**

To achieve our goals, however, requires the help of our business partners. We frequently have contract opportunities—particularly for **minority, women-owned and emerging small businesses**—in the following areas:

- Professional Services
- Construction Services
- Social Services

Contact Home Forward for more information or to learn about specific opportunities, or for information about resources such as free training, technical assistance, and workforce hiring and training programs.
