Blockbuster 'Wicked' Returns

Back by popular demand, Fred Meyer Broadway Across America presents the musical "Wicked," now playing at Keller Auditorium through April 8.

Entertainment Weekly calls Wicked "the best musical of the decade," and when it last played Portland in 2009, it broke box office records and sold out in record time.

Wicked has won 35 major awards, including a Grammy and three Tony Awards.

The story goes back long before that girl from Kansas arrives in Munchkinland, when two girls meet in the land of Oz. One, born with emerald green skin, is smart, fiery and misunderstood. The other is beautiful, ambitious and very popular.

How these two individuals grew to become the Wicked Witch of the West and Glinda the Good makes for "the most complete and completely satisfying new musical in a long time," said USA Today.

Mamie Parris stars as Elphaba the misunderstood Wicked Witch of the West in the musical 'Wicked,' now playing at Keller Auditorium through April 8.
