## Picnics in the Park

Residents are invited to enjoy an evening of summer fare as Beaverton kicks-off its 10th annual Picnics in the Park series Monday, July 9 at 6 p.m. in Carolwood Park, 14950 S.W. Carolwood Dr.

"These picnics bring our community together in a safe and welcoming setting," said Mayor Denny Doyle. "This is a great occasion to have face-to-face conversations with local leaders and meet your neighbors in one of Beaverton's beautiful parks."

New to this year's Picnics in the Park are the dinner options of Qdoba Mexican Grill or a slice of Garlic Jim's Famous Gourmet Pizza. Informational booths about city programs and services will be available along with representatives from Tualatin Valley Fire & Rescue, the Beaverton Police Department and Tualatin Hills Park & Recreation District.
