Youth Football Players Give Back

On Sunday, the Alberta Park Youth Football Program had players, parents and coaches volunteer their time to pick up litter and trash from around the park and throughout the northeast Portland community.

Alberta Park Youth Football operates under the Police Activities League. It has been a striving youth program since 2000, helping steer young student athletes in the right direction in hopes of making a difference and being a positive influ-

ence in their lives.

The goal is to develop young men of substance, build character, and stress the importance of school and education. Congratulations to these young men for giving back and being active in the community.

Video Game Matches Up Dream Teams

(AP) — Michael and Magic versus Kobe and LeBron? Sounds like a dream matchup, and it could be coming to a video game console near you.

With USA Basketball and 2K Sports forming a partnership, fans can see what happens when the amazing 1992 Dream Team goes up against this year's Olympic gold medal winner once NBA 2K13 hits the shelves this fall.

The '92 team boasted arguably the

greatest player of all time in Michael Jordan and greatest point guard in Magic Johnson, not to mention Larry Bird and dominant centers in Patrick Ewing and David Robinson.

The most recent group brought plenty of ammunition to London, with LeBron James, Kevin Durant and Kobe Bryant leading team USA to the Gold Medal and talk that this year's team could be as good as the one that stormed through Barcelona two decades earlier.

Bryant fueled the debate when he told reporters during training in Las Vegas they could take a game from the 1992 team if they met in their primes.

There's no way to know for sure, of course. There's no time machine that can transport the 1992 team to today or the 2012 team back 20 years, so the video game might be the next best thing. If nothing else, it'll give the debate another platform once the game is released on Oct. 2.
