## CAPITALISM HITS THE FAN

RICHARD WOLFF ON THE ECONOMIC MELTDOWN

“With unerring coherence and unequalled breadth of knowledge, Rick Wolff offers a rich and much needed corrective to the views of mainstream economists and pundits. It would be difficult to come away from this viewing with anything but an acute appreciation of what is needed to get us out of this mess.”  
— Stanley Aronowitz | distinguished professor of sociology and urban education, City University

### Film Series Takes Up Capitalism

The 12th annual Jefferson High School Multicultural Film Festival presents Dr Richard Wolff's documentary film Capitalism Hits the Fan with guest speaker Tom Potiowsky at 6 p.m. on Tuesday, Nov. 13 at the North Portland Library, 512 N. Killingsworth St. Potiowsky was Oregon's economist for more than a decade. He is chair of the Portland State

University Economic Department and director of the Northwest Center for Applied Economic Research. Wolff's documentary deals with the American financial crisis and how it wasn't at all unexpected and didn't come suddenly out of the blue. The film series is free and open to the public.
