## Trillium Lake Fishing Clinic

Young fish enthusiasts are invited to sharpen their skills at the 23rd annual Junior Fishing clinic on Saturday, June 8 from 9 a.m. to 2 p.m. at Trillium Lake.

The clinic is free and is intended for kids 13 and under, but young adults and parents will also find it fun and interesting. Kids will have the opportunity to fish with an expert angler, learn "catch and release" techniques, participate in a fishing derby, have opportunities to learn to fly fish, and have lots of fun. Educational booths will be set-up to learn about the salmon lifecycle, aquatic insects, watersheds and aquatic ecosystems.

Children should bring lunch, warm clothing, a rod and reel if possible, and a cooler to bring home their catch of the day. Limited quantities of rods and reels along with bait will be provided. The fishing clinic is made possible by the sponsorship of Oregon Department of Fish and Wildlife, area merchants and the Mt. Hood National Forest.

Trillium Lake is located off Highway 26, about 3 miles east of Government Camp. For more information, call Josh Haslitt, event coordinator, at 503-622-2006 or email jhaslitt@fs.fed.us.
