Party in the Park

Party in the Park, the Tualatin Hills Park and Recreation District's largest community event of the year and a celebration that pays tribute to the Beaverton area's diverse population, returns for its eighth run on Saturday, July 27 at Beaverton's Howard M. Terpenning Recreation Complex at 158th and Walker Road.

The day-long affair - featuring the Beaverton International Celebration, The Classic at T-Hills car show and the Family Triathlon - will transform the recreation center into a carnival of activities for people of all ages. Admission is free for this day of entertainment and recreation, which includes drop-in sports, swimming, food, music, exhibitions and other family-friendly activities.

This year's show will include dance, arts and crafts exhibits, costumes, and information representing numerous ethnic communities. Another feature will be a "kids and culture" interactive area with a broad range of activities for children and families.
