105 Years Old!

Mother Ida Jones turned 105 on Sunday and she celebrated the birthday milestone by attending her church, Vancouver Avenue First Baptist, for a nice celebration and dinner.

Jones commented on the great gifts she got this year, including letters from President Obama and Washington Gov. Jay Inslee, and a beautiful photo of her which was matted and framed by Tracey's Un-4-Gettable Photos and later signed by every church member for her to hang in her home.

Church leaders said Mother Jones also was tickled and extremely overjoyed when she saw her photo on Channel 8 news during a birthdays segment.
