"These are the types of largescale partnerships that are going to

take our organization to the next level," said Chris McGowan, Trail Blazers president and chief executive officer. "This agreement enables us to reinvest in the company and the team at levels that impact every aspect of the fan experience, including the facilities, amenities, events and even the product on the court."

Physical transformation of the arena and Rose Quarter will begin immediately, with new signage and other visual elements being added gradually, officials said. New graphics for the home court surface of the Trail Blazers are scheduled to debut in time for the team's regular season

OUR FUTURE

It is our primary goal as a labor union to better the lives of all people working in the building trades through advocacy, civil demonstration, and the long-held belief that workers deserve a "family wage" - fair pay for an honest day's work.

OUR FAMILIES & OUR COMMUNITIES

A family wage, and the benefits that go with it, not only strengthens families, but also allows our communities to become stronger, more cohesive, and more responsive to their citizens' needs. Our ongoing efforts to establish Area Standard wages and benefits knows no bounderies of race, creed, color, gender, beliefs, or country of origin.
