1. 1.99% Introductory Annual Percentage Rate (APR) is available on Equiline Home Equity Lines of Credit with a 70% or 80% loan-to-value (LTV) or less, depending upon the market. The introductory interest rate will be fixed at 1.99% during the six month introductory period. A higher introductory rate may apply for an LTV above 70%. Offer is available for new applications submitted from September 9, 2013 to November 10, 2013. Existing customers are eligible with at least a \$20,000 increase in balance and commitment amount. After the six month introductory period: the APR is variable and is based upon an index plus a margin. The APR will vary with Prime Rate (the index) as published in the Wall Street Journal. As of September 1, 2013, the variable rate for home equity lines of credit ranged from 3.99% APR to 8.99% APR. Higher rates may apply for a credit limit below \$125,000 (depending upon the market), an LTV above 70% or 80% (depending upon the market), a low credit score and/or not having a U.S. Bank personal Package Checking account. The rate will not vary above 25% APR, or applicable state law, or below 1.99% APR. An annual fee of up to \$90 may apply after the first year. Offer is subject to normal credit qualifications and program guidelines. Rates are subject to change without notice. 2. Property insurance is required. 3. Consult your tax advisor regarding the deductibility of interest. Other restrictions may apply. See the Consumer Pricing Information brochure for terms and conditions that apply to U.S. Bank Package Checking accounts.
