## WHAT'S THE DIFFERENCE BETWEEN THESE TWO HOMES?

**HINT: IT HAS TO DO WITH SAVING ENERGY AND MONEY.**

Though two homes may look alike, energy efficiency upgrades can make a big difference in terms of maximizing comfort while reducing energy use and cost.

Energy Trust of Oregon can help you find a trade ally contractor and provide cash incentives that help offset the cost of qualifying energy improvements. With upgrades to your insulation, water heater, appliances and lighting you could save up to 15 percent on your home energy costs while not having to scale back on comfort. And a house that costs less to operate is worth more.
