## Winter in the Blood

True to the tough, lyrical, magical spirit of James Welch's classic novel of Native American life, 'Winter in the Blood' is a hauntingly beautiful movie that follows a young Blackfoot Indian's alcohol-fueled search for his wife, his rifle, his identity and salvation. Northwest Film Center screens the movie at 7 p.m. both Wednesday, April 23 and Sunday, April 27 at Whitsell Auditorium.

## Poetry and Music Night

Julio Appling, the primary bassist for Portland-based jam grass group The Student Loan, and fusion group Trio Flux, will perform during a poetry and music night, also featuring Clark County Poet Laureate Christopher Luna, Saturday, April 26 at 6:30 p.m. at the Niche Wine and Art Bar, 1013 Main St., in Vancouver.

Growing up in Tacoma, Appling's upbringing included classical piano and guitar, gospel guitar and bass, a little bit of trombone, an Amiga computer, comics, and a lot of Legos.

Luna is the co-founder of Printed Matter Vancouver, whose books include Ghost Town Poetry, an anthology of poems.

Double bassist Julio Appling will perform during a poetry and music night, Saturday, April 26 at 6:30 p.m. at the Niche Wine and Art Bar in Vancouver.
