Longtime Peninsula Wrestling Club Coach Roy Pittman

Peninsula Park 'Through the Years'

Movie screening to benefit local wrestling club

All are welcome to a free outdoor screening of the youth-produced Peninsula Park documentary, *Through the Years, Through Our Eyes: A Teen View of Peninsula Park*, scheduled for Thursday, June 26 at the park, located at North Ainsworth Street and Albina Avenue.

Special guests will include the Portland School of Rock band and Chael Sonnen, mixed martial artist and wrestling champion, who will help showcase the vaunted Peninsula Wrestling Club.

The event is free, but donations will be accepted to support the wrestling club. Hosted by the Friends of Peninsula Park Rose Garden, the Piedmont Neighborhood Association and Portland Parks & Recreation, activities will start at 6:15 p.m. in the vicinity of the Peninsula Park gazebo; the screening will begin at 9 p.m. Free popcorn will be provided and attendees are encouraged to bring snacks and/or a picnic.

Since its founding by Coach Roy Pittman in 1970, the Peninsula Wrestling Club, has served 60,000 youth and adults. Many Club members have won state, regional and national titles and have been members of the US Olympic teams. Former PWC wrestler and Milwaukie High School graduate Kelsey Campbell

took part in the 2012 London Olympic women's freestyle wrestling competitions. There will be a wrestling demonstration prior to the movie showing.

The documentary explores the history of the 100 year-old Peninsula Park and adjacent community center. It was produced by a group of teens, under the guidance of instructors Billy Miller and Carlos Lasuncet, as part of the park's Centennial celebration.

"The students put in a lot of work to create this documentary," said film instructor Billy Miller, who along with Carlos Lasuncet provided guidance to the young filmmakers. "I am incredibly proud of their efforts, how it turned out and what they learned along the way."
