

Congratulations!

TO THE PORTLAND OBSERVER
ON ITS TWO

NATIONAL NEWSPAPER PUBLISHERS ASSOCIATION

AWARDS

Doing Good Things For Oregon

Oregon Lottery profits support business development, education, state parks, fish and wildlife and water quality preservation. When you play Lottery games, your dollar contributes to these statewide projects and programs.

The Portland Observer also does good things by providing the local community with up-to-the-minute news, awarding scholarships to local deserving students, and much more.

It Does Good Things
