## Christmas Sights and Sounds

*continued ▲ from page 9*

Jack Topper, said, "Our intent is to blend the traditional sights and the sounds of the season with the hope, peace, and love that Christmas heralds. The season, the songs, the acoustics, and the purpose of the festival are so inspirational that our chapel is a perfect setting for these magnificent concerts. We are very fortunate to receive support from so many choirs. Many of them are among the finest in the region and have performed at the festival for many years."

Fr. Topper added, "It is gratifying to see the impact our festival has had over the last 27 years and will continue to have. We are grateful to the more than 8,000 volunteer performers offer their gift of music."
