Del Taco Goes Lean

Del Taco has teamed up with Jennie-O to develop a proprietary lean, seasoned ground turkey recipe, available now at participating restaurants.

The turkey has 33 percent less fat than Del Taco's seasoned beef, yet offers the same craveable flavor fans know and love. With four turkey menu items to choose from, Del Taco continues to satisfy guest demand for quality ingredients and is still the only Mexican quick service restaurant to offer ground turkey as a protein option.
