Tears of Joy Theatre and the Rogue Artists Ensemble of Los Angeles bring Zen Shorts, based on the beloved book by Jon J. Muth, to Imago Theatre, 17 S.E. Eighth Ave.

Zen Master Magic, Wisdom

When a giant Zen master panda named Stillwater moves into their neighborhood, Michael and Addy's world is changed forever. As the children are faced with tough life lessons, Stillwater weaves three ancient tales for them full of color, magic, and wisdom. Intertwining on a backdrop of modern day technology and complexity, the tales of Zen Shorts are told with a variety of puppet styles and features original

songs, video projections, and over 30 puppets. Four shows are scheduled this weekend for kids three and older at Imago Theater, Saturday, Feb. 14 at 11 a.m. and 1 p.m.; and Sunday, Feb.

15 at 1 p.m. and 3 p.m. Free puppet making activities are held in the Imago Theatre lobby 1/2 hour prior to the shows. For tickets and more information, visit tojt.org.
