Chief Accused of Racism

Clatskanie Police Chief Marvin Hoover retired this week after an officer in his department says he responded to an accusation of racism by imitating a monkey, singing "Dixie" and pantomiming a beating. Officer Dustin Stone said he has been harassed and called racist slurs since pointing out Hoover's behavior in an official report to the Oregon Department of Public Safety.

Wyden Supports Iran Deal

Democrats on Tuesday gave President Barack Obama the votes he needed to prevent the Senate from passing a measure disapproving of the Iran nuclear deal. Oregon Sen. Ron Wyden was one of the last senators to make up his mind, saying that although he had reservations, he believed the agreement means it would be "exceedingly difficult" for Iranians to build a nuclear weapon and other benefits of the deal are worthy of his support.

Arson Suspect Arrested

Police arrested a man for arson early Monday after a fire this weekend sent a family fleeing from their burning southeast Portland apartment. The father of the household was burned when a piece of roofing fell and caught the back of his shirt on fire. The suspect was identified as Joshua Aaron Bigsby, 28.

Kentucky Clerk Released

A Kentucky clerk who refused to issue same-sex marriage licenses was released from jail Tuesday by the same judge who ordered her to jail six days earlier. Judge Bunning said Kim Davis "shall not interfere in any way, directly or indirectly, with the efforts of her deputy clerks to issue licenses to all legally eligible couples." He said that any such action would be regarded as a violation of his release order.

Resident Shoots Intruders

A Gresham man shot at a group of intruders who had broke into his mobile home Saturday and began stabbing him with a knife. The oldest suspect, a 25-year-old man, was found dead at the scene, police said. The resident had several stab wounds but none of them were life-threatening.

Man Shoots Newspaper Delivery Workers

Authorities say a man from southern Oregon has been arrested after allegedly chasing down two newspaper delivery workers in Rogue River and shooting them. Shad Gary Dunbar, 34, is being held on attempted murder and other charges in Jackson County for allegedly firing at victims Linda Parker and Roger Price on Saturday.

Police Custody Death Settlement Freddie Gray family reaches \$6.4 million deal

(AP) — The parents of Freddie Gray reached a tentative \$6.4 million settlement with the city of Baltimore Tuesday, nearly five months after their 25-year-old son was critically injured in police custody and later died, sparking days of protests and rioting.

The deal appeared to be among the largest settlements in police death cases in recent years and happened just days before a judge is set to decide whether to move a trial for six officers charged in Gray's death.

Gray's spine was injured April 12 in the back of a prisoner transport van after he was arrested. Gray, a 25-year-old black man, died at the hospital a week later. In the aftermath, Gray became a symbol of the contentious relationship between the

police and the public in Baltimore, as well as the treatment of black men by police in America.

The settlement still needs the approval of a board that oversees city spending. That board will meet Wednesday morning.

"The proposed settlement agreement going before the Board of Estimates should not be interpreted as a judgment on the guilt or innocence of the officers facing trial," Mayor Stephanie Rawlings-Blake said in a news release. "This settlement is being proposed solely because it is in the best interest of the city, and avoids costly and protracted litigation that would only make it more difficult for our city to heal and potential-

Part 26 KIDS AND CHIROPRACTIC

As the twig is bent so grows the tree

Q: I have recently noticed my son has one shoulder higher than the other. Could this be a sign of a problem in his spine?

A: Good thinking, mom! It surely could. In fact having one shoulder higher than the other is a cardinal sign of curvature of the spine. According to Chiropractic research, the earlier a curvature is caught, the higher the potential for success. To be certain about health of your child, call our office today for a professional spinal evaluation. Spines (big or small)

are our specialty.

Q: I have been told that my child needs an operation for a curvature in her spine. Is there an alternative?

A: You most definitely should have a thorough Chiropractic checkup on your child immediately. Spinal surgery gets. All conservative efforts at handling your child's problem should be considered before consent-

ing to surgery. Our office is highly trained and skilled at handling problems like that of your child's. Don't be fooled by the thought of "watching the condition" either. Without proper assistance it won't go away. Offer your children the best in health care. Give them regular Chiropractic checkups. As the twig is bent so grows the tree!
