## Portland Civil Rights Monument

Hello, I am the President and C.E.O. of the Rosa Parks Memorial Association of Portland. The organization is a 501c3 non-profit which is seeking to create a Civil Rights Fountain in Portland at the Downtown Waterfront Park.

Our dream is to honor Rosa Parks and all of our fellow citizens who each gave much courage and true heart to making Civil Rights a vital part of our City. Rosa Parks helped change the course of history, and we would like to do the same, in our small way, by creating a fountain in her likeness. The bronze fountain will be inscribed:
