

Earthquake Info Fair Saturday

A free earthquake information fair for the public will be held Saturday, Oct. 17 from 10 a.m. to 5 p.m. at the University of Portland Chiles Center in north Portland.

Fair attendees will receive important tips on how to communicate when a disaster disrupts

familiar lines of communication. The event will also offer information on how to search homes, schools, and workplaces after an earthquake when such things as glass and heavy objects are placed in dangerous places. Information on fire safety, first aid, water ra-

tioning and filtering, food storage, pet care, sanitation, and earthquake insurance and seismic home retrofits, will also be covered.

The event is sponsored by the Cascadia Region Earthquake Workgroup with support from the Federal Emergency Management Agency.

Black Male Achievement Focus

Representatives from across the country will be in Portland this week to focus on the Black Male Achievement initiative.

Portland was selected as one of 11 cities to participate in the national program to improve outcomes for black men and boys. The program is designed to work across public and private sectors and among jurisdictions to help support youth in for key areas – education, employment, family stability, and criminal justice.

At the moment, Portland's chapter is housed in the Office of Equity and Human Rights within Mayor Charle Hales' portfolio, and the organization works with officials in the Multnomah County government, as well as with for-profit and non-profit groups to create access to jobs and mentoring.

Michael Alexander, former president of the Urban League of Portland, speaking with youth from the Black Male Achievement initiative.

Imagining possibilities may help create new ones.

*1.50% Introductory Annual Percentage Rate (APR) is available on Home Equity Lines of Credit with an 80% loan-to-value (LTV) or less. The introductory interest rate will be fixed at 1.50% during the five-month introductory period. A higher introductory rate will apply for an LTV above 80%. Offer is available for new applications submitted from September 12, 2015–November 20, 2015. After the five-month introductory period, the APR is variable and is based upon an index plus a margin. The APR will vary with Prime Rate (the index) as published in the Wall Street Journal. As of September 11, 2015, the variable rate for Home Equity Lines of Credit ranged from 2.99% APR to 8.25% APR. Higher rates may apply due to an increase in the Prime Rate, a credit limit below \$125,000, an LTV at or above 80%, a low credit score and/or not having a U.S. Bank personal Package Checking account. A U.S. Bank personal package checking account is required to receive the lowest rate, but is not required for loan approval. Choosing an interest-only repayment may cause your monthly payment to increase, possibly substantially, once your credit line transitions into the repayment period. Repayment options may vary based on credit qualifications. Interest only repayment may be unavailable. Loan approval is subject to credit approval and program guidelines. Not all loan programs are available in all states for all loan amounts. Interest rates and program terms are subject to change without notice. Property insurance is required.
