Super-Adorable Kittens

A pair of 6-week-old caracal kittens explore their Predators of the Serengeti habitat at the Oregon Zoo. The kittens who are elusive by nature, ventured outside for the first time on Oct. 21 — toddling through hollow logs, hiding in the tall grass, and chirping for mom whenever they lost sight of her. 'They're in their super-adorable phase,' said the zoo's Beth Foster.

Profound Joy and the Big Easy

'Always for Pleasure,' a 1978 documentary film by Les Blank about the social traditions and profound joy that comes with the musical events of New Orleans will screen at the Portland Art Museum on Saturday, Nov. 7 at 7:30 p.m. thanks to the Northwest Film Center and Wordstock, the day-long festival produced by Literary Arts.
