

## Congratulations, Jay

*on the purchase of your first home! It's a pleasure and a testament to be part of your family for three generations. I helped your grandmother to sell one home and buy another when I first got into real estate in the '90's and then I sold your parents a home in 2004. And now, years later, I've helped you purchase your first home. I love how your family values home ownership, and how this has passed down through the generations. It's an honor to have served three generations of Brannons.*

# Ally to Share MLK Memories

Distinguished minister, author, and organizer Dr. C.T. Vivian, a close friend and lieutenant of the late Rev. Martin Luther King Jr., will be the speaker at this year's Martin Luther King holiday weekend celebration at Mary's Woods at Marylhurst, a senior residential community. He will share his lifetime experience on the inner circle of the Civil Rights Movement.

The second annual event is on Saturday, Jan. 16, at 2 p.m. in the Chapel of the Holy Names in Lake Oswego. Portland's Northwest Freedom Singers, a choral group comprised of the city's finest voices, will perform inspirational songs and gospel hymns.

After speaking, Dr. Vivian will participate in a Q&A session with those in attendance. A reception will follow with an opportunity to meet Dr. Vivian.

"We are honored," said Marvin Kaiser, Mary's Woods

CEO, "to have renowned civil rights leader Dr. Vivian on our campus, and in our community, to remember the legacy of Martin Luther King Jr. and to share his experience and hope for our nation toward becoming a more just and equitable society."

The event is free to the general public.
