

You've got options!

The Northwest Carpenters Union offers rewarding careers with top-of-the-line training, and family sustaining wages and benefits.

- State-of-the-art, accredited Apprenticeship Programs - EARN WHILE YOU LEARN!
- Upgrade and skill enhancement classes for all members;
- Leadership and career advancement training; become a foreman or superintendent;
- Benefits that protect you and your family;
- Smart, forward-thinking leadership in the Regional Council and the UBC.
- You can choose from a number of different crafts in construction such as drywall, acoustical systems, wood and metal framing, piledriving and diving, scaffold erecting, general carpentry, heavy and highway carpentry, millwright work and more.
- The Helmets to Hardhats program provides our nation's veterans the opportunity for challenging careers in the construction industry and credit for service experience.
