

Vigil for Man Killed

CONTINUED FROM PAGE 3

It's a traffic safety hazard residents have been fighting for years, according to Cully Association of Neighbors Transportation Board Member Laura Young.

Those gathered at the vigil also wanted to take a stand against drunk driving.

The driver of the vehicle involved in the traffic fatality was arrested for driving under the

influence of intoxicants, reckless driving and second-degree manslaughter. William Hurst, 29, also had a prior DUI on his record, officials said.

Shelly Curry is embraced during the community vigil in honor of her late husband.
