## Bikes for East Portland Kids

The Community Cycling Center, a non-profit group headquartered in northeast Portland, recently distributed 100 bikes, helmets and safety education to low-income families at the Rosewood Initiative in east Portland, thanks to the support of 61 volunteers at the event. 'By hosting the event in east Portland, it makes it easier for families living in East County to attend and breaks down one of the barriers of receiving a bike,' organizers said.

## Dr. Charles Drew
