The splash pad at Peninsula Park in north Portland.

Keeping Cool at Portland Parks

Portland Parks & Recreation's splash pads and fountains around the city are now open to help you stay cool! The water features are sched-

uled to be on for the next two months as summer temperatures traditionally hit their peak. Splash pad hours are 11 am

to 9 pm; fountain hours mirror park hours. What's the difference? According to parks officials, the fountains have chlorination and recirculate water;

while water in the splash pads drains away – like running through the sprinklers.
