amid community opposition. But as a consequence, Mayor Hales did increase city funding for affordable housing for inner north and northeast Portland.

The project does meet PDC's goals of improving employment opportunities in disadvantaged and minority neighborhoods as well as providing a full service grocery with healthy food options, one of the goals of the King Neighborhood.

Bringing Natural Grocers to the site was subsidized with \$2.4 million from the PDC in the form of a discount on the land value. Majestic Realty of Redlands, Calif., a large privately-held company, is the developer. The general contractor will be Colas Construction, a black-owned business from northeast Portland.

*1.50% Introductory Annual Percentage Rate (APR) is available on Home Equity Lines of Credit with an 80% loan-to-value (LTV) or less. The Introductory Interest Rate will be fixed at 1.50% during the 6-month Introductory Period. A higher introductory rate will apply for an LTV above 80%. Offer is available for new applications submitted from September 11 - November 11, 2016. After the 6-month introductory period, the APR is variable and is based upon an index plus a margin. The APR will vary with Prime Rate (the index) as published in the Wall Street Journal. As of September 11, 2016, the variable rate for Home Equity Lines of Credit ranged from 2.62% APR to 7.20% APR. Higher rates may apply due to an increase in the Prime Rate, a credit limit below \$100,000, an LTV above 70%, and/or a credit score less than 730. A U.S. Bank Consumer Silver, Gold, or Platinum Checking Package account is required to receive the lowest rate, but is not required for loan approval. The rate will not vary above 18% APR, or applicable state law, or below 2.12% APR - 2.55% APR, depending on market.
