## Grant Team Wins Tournament

Congratulations to the Grant Boys 6th Grade White team for winning the Portland Interscholastic League's Division B Basketball Tournament in their respective youth league bracket on Saturday at Roosevelt High School. The team, coached by former Grant High School standout Avery Penny, scored a 55-52 victory in the title game against Franklin's Maroon team.

At the Port of Portland, we believe in partnerships – with our people and with our community. Right now, our culture team members are working together to create a more equitable and inclusive Port, one that's representative of the city we live in and love. Whether you're seeking employment or contracting opportunities, join us in creating a future with fair treatment and equitable access to opportunity for all.

**We're more than a Port, we're your partner.**
