

# Bottle Bill Deposits Double to 10 Cents

The Oregon Liquor Control Commission reminds customers, retailers, and manufacturers that the redemption value for eligible containers covered under Oregon's Bottle Bill will soon increase from 5 cents to 10 cents.

Starting April 1, all eligible containers will receive a 10-cent refund regardless of the amount shown on the container, officials said. Containers redeemed before April 1, will be refunded at the rate of 5 cents per container.

"We want to make the tran-

sition as smooth as possible for customers, retailers, and manufacturers," says OLCC Executive Director Steve Marks. "Our goal is to provide resources for retailers so that they can help get the word out to consumers."

To ease the conversion and avoid confusion for customers, the Oregon Liquor Control Commission has made a variety of tools available for retailers to post in store, at the cash register, and at reverse vending areas to help inform customers prior to the change.

**Showdogs** is a full service salon. We do baths, all over hair cuts, tooth brushing, nail trims, soft claws, flea treatments, mud baths, and ear cleaning. We also have health care and grooming products to keep your pet clean in between visits.

### Part 30. Genuine Benefits of Chiropractic Help

**Q:** Can a chiropractor really help my problems?

**A:** You have no doubt heard how chiropractors helped a friend's headaches, neck pain, neck stiffness, back pain or fatigue?

But, it is perfectly normal for you to wonder whether a chiropractor can really your particular problems. Your headaches. Your neck pain and/or stiffness. Your back pain or other symptoms. Problems you may have had for some time.

The truth is, doctors of chiropractic are extremely successful at eliminating many symptoms. Often more quickly and effectively than other healing methods.

But, your doctor of chiropractic can do so much more for you than just treating symptoms. Your chiropractor is concerned with making sure your entire body is functioning properly. Therefore, your

chiropractor goes beyond treating your immediate symptoms to make sure your body is still functioning efficiently. That is the only way true health can be achieved.

But we aren't the only ones who have said it. Chiropractic has been accepted by the ultimate authority; you the people.
