2018 CHEVROLET Cruze

Delivering on Technology You Crave

The 2018 Cruze can give you everything you need in a new car with its latest technology, gas efficiency and cargo room.

Available for \$16,975 MSRP in sedan and hatchback, the Cruze comes with a variable-nozzle turbo-charger that broadens the engine's torque curve, particularly at low

rpm, and supports greater high-rpm horsepower. All that get up and go at just 28 miles per gallon in the city and 39 mpg on the highway.

The Cruze is available in a standard six-speed manual transmission and a nine-speed automatic RS package that includes a rear spoiler, front fog lamps, sport body kit and

18-inch machined-face wheels.

Other available features include wireless phone charging, heated rear leather seats and heated, leather-wrapped steering wheel. Android Auto and Apple CarPlay compatibility available through Chevrolet MyLink OnStar with 4G LTE connectivity and a built-in Wi-Fi hotspot.
