HIS ONLY RIVAL

# Cosby's Spectacular Downfall

CONTINUED FROM PAGE 2

The verdict came after a two-week retrial in which prosecutors put five other women on the stand who testified that Cosby, married for 54 years, drugged and violated them, too. One of those women asked him through her tears, "You remember, don't you, Mr. Cosby?"

The panel of seven men and five women reached a verdict af-

ter deliberating 14 hours over two days, vindicating prosecutors' decision to retry Cosby after his first trial ended with a hung jury less than a year ago.

Cosby could get up to 10 years in prison on each of the three counts of aggravated indecent assault. He is likely to get less than that under state sentencing guidelines, but given his age, even a modest term could mean he will die behind bars.

# THE SPINA COLUMN™

An ongoing series of questions and answers about America's natural healing profession.

## Part 16: Chiropractic VS. Morning Stiffness: A deadly blow to the agony of awaking.

**Q:** I used to be so stiff in the morning I could scarcely tie my shoes. Worst of all I was only 37 years old. Now that's all changed since coming to your office. I'm eternally grateful to you and Chiropractic. I just don't see how it works so well, particularly with-out medication.

**A:** We very much appreciate your kind compliment. It is true that many of our patients do rest better at night and wake up feeling more relaxed and refreshed. Chiropractic

works by taking the stress and irritation off the nervous system. As the nervous system gets well, you will notice that the spine begins to lose the rigid stiff feeling that it had. Muscles can begin to relax because they don't have to work to make the body bend and move. When the nerves are finally as healthy as they should be, the body will reflect that by

being flexible and well rested. If you have had problems with muscle stiffness, trouble resting or if waking up gives you the feeling that you've been through World War II, it's a great time to wake up to the feeling of Chiropractic! Call today for an appointment. Isn't it time you stepped up to Chiropractic?
