A bald eagle in the Oregon Zoo's Great Northwest area. To celebrate Veterans Day on Sunday and Monday, Nov. 11 and 12, the zoo will offer free admission for military veterans, active military personal and their family members.

At the **Oregon Department of Transportation**, we want to take time this Veterans Day to acknowledge the sacrifices of our past and present service members and their families. We are grateful for what you have given to help our country be all it can be!

Among these sacrifices is the economic loss suffered by those who have served our country in uniform. ODOT recruitment recognizes this sacrifice through the state's veterans' preference program. Veterans' preference is a way for us to give back to veterans, and it is an opportunity for us to welcome the valuable experience of veterans and develop an outstanding ODOT workforce. Eligible veterans who meet the qualifications for a position will benefit from veterans preference.

As an ODOT employee, you will have the opportunity ev-

ery day to pursue our mission of providing a safe and reliable transportation system that connects Oregon's people and communities, and helps our economy thrive. We are an award-winning

organization more than 4,700 employees strong. There are ways to support this mission in locations across our state. Bring your skills and develop new ones through a variety of opportunities from program and administrative support to engineering and highway maintenance. In any of these roles, you will continue to make a difference to your fellow citizens. ODOT began in 1913 when the Oregon Legislature created the Oregon Highway Commission. Today, we develop programs related to Oregon's system of highways, roads, bridges, railways, public

transportation services, transportation safety programs, driver and vehicle licensing and motor carrier regulation.

All this work is guided by our core values of integrity, safety, equity, excellence and unity. These values have helped us achieve national recognition, and will guide you as you provide outstanding customer service to your fellow Oregonians and use innovative program design and technologies to solve transportation problems. With competitive pay, excellent benefits and unparalleled stability, working with ODOT will give you the ability to grow your career and achieve balance in your work and life.

On this Veterans Day, we want to thank all service members and their families for their sacrifice. We also invite you to start a new journey at odotjobs.com.
