

play it forward for our parks

Oregon Lottery Dollars Support Oregon Parks

When lots of us each play a little lottery, funds add up for Oregon's parks.

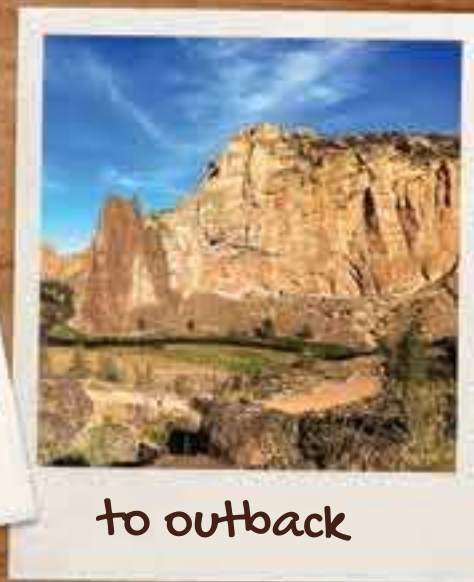

And it's not only the big state parks like Smith Rock or Silver Falls. It's also our unique places of heritage. It's scenic viewpoints and waysides, and virtually the entire unbroken stretch of Oregon beaches. And, if that's not enough, it's also small historic cemeteries, or even neighborhood parks, playgrounds, and tot-lots – maybe even in your neighborhood.

We all love the dream of a big lottery win, but even if you don't walk away with a jackpot, you can be assured that your Oregon Lottery play helps support the places and program that matter. When you play, you play it forward – for our parks!
