## Exciting Opportunity for Exchange Students to learn

The Eastern United States offers exchange students a dynamic and enriching experience, and I'm writing you today to extend an invitation to you and your family to consider hosting a World Heritage Exchange Student in the fall. The students are 15 to 18 years old and come to the United States with their own insurance and spending money, eager to learn about Amer-

ica through their host family and the local community.

Whether you are a young family, retired, a single parent, or empty nesters, hosting one of our students from countries like France, Italy, Ukraine, Japan, Germany, Denmark, and many others presents an extraordinary opportunity to personally experience their cultures and values while simultaneously sharing your own knowledge about the United States.

To meet some of the hopeful students eagerly awaiting news about their American host family, visit [www.world-heritage.org](http://www.world-heritage.org) to view their profiles and read their captivating letters and for more information.
