Established in 1969, TriMet is a municipal corporation of the State of Oregon. Our nearly 3,500 workers are public employees.

TriMet offers great benefits for employees, job stability and a welcoming, supportive work environment. Some of our operators have been driving for us for more than 30 years! TriMet provides affordable medical, dental and vision plans, and other amenities for employees. Coming in the years ahead are new perks for union employees, including \$150 monthly childcare subsidy, \$5,200 in annual tuition reimbursement and an increase to 10% for the employer contribution to each union employee's 401(a) retirement plan.
