The local, national and international political, social-economic landscape portrays a lack of integrity, war, civil unrest, fragile institutions, disastrous weather patterns and a spiritual climate filled with false voices, self-interest and apathy toward God. The moral fabric of our nation has been comprised and now more than ever people are looking for certainly, reassurance and guidance. This level of need can only be addressed by a WORD FROM GOD. The Body of Christ must amplify its relevance in the world and advance the kingdom of God with force so that the heavens are open for an outpouring of God's Spirit upon the earth. Venue: Oasis of Praise International Ministries. Theme: "WATCHMEN, WHAT SEETH THOU?" Isaiah 21: 5-7 & Jeremiah 27:18A
