FOR ONE WEEK ONLY

......Take your pick of any Overcoat or Ulster in the house at one-fifth off the plainly marked prices. It has always been our policy to close out the Overcoat stock each year, to sacrifice all profits, if necessary, to avoid carrying over goods. All this season we have been offering remarkable values in Overcoats, and the result is a very low stock. Now we are prepared to sacrifice the balance in order to clean up. On top of prices which are already low we make the sweeping reduction of 20 per cent on any Overcoat or Ulster in the house. It's for one week only, but all ought to go in that time.
