

What the doctors say

We should not think of repeating here what the doctors say, except by their full and free consent. Doctors are particular about these things.

Every day, and every mail of every day, brings us renewed expressions of the confidence which the physicians of the country have in Ayer's Cherry Pectoral.

<p>Give Quick Relief "I have used both your Cherry Pectoral and Cherry Pectoral Plaster in cases of bronchitis, and I have found that they give quick relief. Indeed, I cannot praise both of them too highly." J. J. PATTERSON, M.D., Jan. 24, 1900. Marshall, Ala.</p>	<p>Very Severe Cough "I have used your Cherry Pectoral in a number of cases and it has given entire satisfaction. I can freely recommend it to any one suffering from a cough of any description." T. C. HAINLINE, M.D., Jan. 26, 1900. Seaton, Ill.</p>	<p>All that is Claimed "To cure a cold that has in any way affected the lungs Ayer's Cherry Pectoral is the best preparation on the market. I like it and shall continue to recommend it." F. M. RHODES, M.D., Jan. 25, 1900. Indianapolis, Ind.</p>	<p>Most Excellent "Ayer's Cherry Pectoral is a most excellent cough medicine. Its pleasant taste makes it a very efficient remedy for children. I find the plaster to be all that is claimed for it, also." A. R. BOYD, M.D., Jan. 23, 1900. Billington, Tex.</p>	<p>Likes the Formula "I like the formula of Ayer's Cherry Pectoral, and I have used this preparation to my satisfaction. The Cherry Pectoral Plaster works all right, also." A. W. BRASH, M.D., Jan. 24, 1900. North Germantown, N. Y.</p>	<p>Prescribed Over 50 Years Ago 1847 "I have witnessed the effects of Ayer's Cherry Pectoral in my own family and in the families of my friends. It has proven eminently satisfactory in cases of both adults and children. I find it a powerful remedy for colds and coughs and pulmonary diseases." PARKER CLEVELAND, M.D., Professor Chemistry and Materia Medica, Feb. 5, 1847. Bowdoin College, Brunswick, Me.</p>
<p>Others Failed "I have found Ayer's Cherry Pectoral to be a most excellent remedy, especially in coughs of an irritative nature. I remember one case in particular where the cough had baffled all other remedies. I tried the Cherry Pectoral and it gave quick and permanent relief." H. T. DRAKE, M.D., Jan. 27, 1900. Falzo, Ill.</p>	<p>A Standard Article "Ayer's Cherry Pectoral is a standard article on my shelf. Its composition, elegance of manufacture, and clinical effects are all one could possibly ask. It is the foundation of my cough preparations. For general coughs and colds it is the finest preparation I have ever known." C. D. HATCHER, M.D., Jan. 27, 1900. Admire, Kan.</p>	<p>Croup, Pleurisy "I have found your Cherry Pectoral a very valuable remedy in coughs and bronchial troubles. It is especially useful among children with the croup and pneumonia." J. DEMOTTE, M.D., Jan. 25, 1900. Odon, Ind.</p>	<p>The Best Expectorant "I do not believe there is a better expectorant made than Ayer's Cherry Pectoral." GEO. H. JONES, M.D., Jan. 23, 1900. Crescent, S. C.</p>	<p>The Best Cough Mixture "I have used both your Cherry Pectoral and Pectoral Plaster, and I like the action of them both very much. I recommend the Cherry Pectoral as one of the best, if not the very best cough mixture on the market." A. L. HUGHES, M.D., Jan. 24, 1900. Macon, Ill.</p>	<p>1848 "I am constantly using Ayer's Cherry Pectoral in my practice. I prefer it to any other medicine for pulmonary complaints. I am convinced it will cure coughs, colds, and diseases of the lungs after other remedies have failed." I. S. CUSHMAN, M.D., April 26, 1848. Saco, Me.</p>
<p>Pneumonia "For all lung and throat troubles and for coughs of every kind I do not believe there is anything better than Ayer's Cherry Pectoral and Pectoral Plaster. I used them both recently in a case of pneumonia, and they gave me splendid satisfaction." J. MORGAN, M.D., Jan. 26, 1900. Harrisville, Ohio.</p>	<p>Known it for 30 Years "Having used your Cherry Pectoral in my practice for so many years, I take pleasure in saying that it has proved to be the best cough remedy I have been able to find in a successful practice of thirty years." R. C. BAYLY, A.M., M.D., Jan. 27, 1900. Decatur, Ill.</p>	<p>Tickling Cough "In a recent case of acute bronchitis, with tickling cough, which I had, Ayer's Cherry Pectoral gave prompt relief after several other remedies had entirely failed. I have repeatedly recommended the use of this preparation for affections of the throat and lungs." M. B. THOMPSON, M.D., Jan. 25, 1900. Bay City, Mich.</p>	<p>Often Prescribes It "I have often prescribed Ayer's Cherry Pectoral. It is a remedial agent possessing remarkable properties as a cough remedy. I also like the Cherry Pectoral Plaster very much." W. A. PRACROS, M.D., Jan. 23, 1900. Homer, Ky.</p>	<p>Severe Bronchitis "I have used Ayer's Cherry Pectoral in severe cases of bronchitis, and it did its work perfectly." E. C. COLES, M.D., Jan. 25, 1900. Hartford, Conn.</p>	<p>1849 "I have prescribed Ayer's Cherry Pectoral in many cases and always with the happiest results. I am not aware that we possess another remedy to be compared with it for efficiency in pulmonary affections." J. EMERTON, M.D., Oct. 13, 1849. Providence, R. I.</p>
<p>A Cough Specific "I can honestly say that Ayer's Cherry Pectoral is a specific for that troublesome cough which accompanies la grippe." W. E. LEE, M.D., Jan. 25, 1900. Montclair, La.</p>	<p>Prescribed it for 35 Years "I have experienced substantial relief from a single bottle of Ayer's Cherry Pectoral. I have also been using it in my practice in cases of la grippe, bronchitis, and pneumonia with satisfactory results. I think it is the best remedy of its kind in the market. I have prescribed it for thirty-five years, and always with marked success." C. A. GORSE, M.D., Jan. 25, 1900. Meadowbrook, N. Y.</p>	<p>Cured Terrible Cough "I am very much pleased with Ayer's Cherry Pectoral. Recently I tried it on a case suffering with a terrible cough and pain in the chest. In a short time the patient was cured completely." SAM. SHERRURNE, M.D., Jan. 23, 1900. Philadelphia, Pa.</p>	<p>From Personal Experience "I have used your Cherry Pectoral upon myself and in my own practice, and I believe it to be the best of all remedies for coughs, colds, chronic bronchitis, etc. I have found it to be very prompt in relieving both acute and chronic coughs." J. C. COMPTON, M.D., Jan. 29, 1900. Ratliff, Miss.</p>	<p>Coughs and Colds "I am acquainted with the formula of Ayer's Cherry Pectoral, and consider it a good one. I never hesitate to recommend it for bronchitis, colds, and coughs." J. L. GUNN, M.D., Jan. 31, 1900. Ashland, N. C.</p>	<p>1850 "I have used Ayer's Cherry Pectoral now for over two years. I have never found anything equal to it for acute diseases of the throat and lungs. I have arrested consumption with it and have cured whooping-cough, croup, and bronchial affections." W. A. SHAW, M.D., May 24, 1850. Halifax, C. H., Va.</p>
<p>Pneumonia "I have been prescribing your Cherry Pectoral for a long time, and with very satisfactory results. I have just used it in a case of a child with pneumonia, and it acted very nicely, controlling the cough and quieting the inflammation." H. A. WELL, M.A., M.D., Jan. 30, 1900. Wardsville, Mo.</p>	<p>It Does Wonders "I can say only kind words of praise for Ayer's Cherry Pectoral. It has done wonders in my hands." E. R. SCHOEN, M.D., Jan. 24, 1900. Gordonville, Mo.</p>	<p>La Grippe Coughs "I have used your Cherry Pectoral, and the results have been very satisfactory. The last two cases were bronchial irritation following la grippe. The Cherry Pectoral promptly controlled the cough, and I was greatly pleased with its action." F. L. VAWTER, M.D., Jan. 30, 1900. Gessie, Ind.</p>	<p>Stubborn Coughs "Ayer's Cherry Pectoral in stubborn coughs works like magic. In those coughs following the grip I find it excellent. I have tested it in two marked cases and with the most satisfactory results. I have prescribed it in my practice, and I can say always with brilliant success." W. J. CUNNINGHAM, M.D., Jan. 24, 1900. Commerce, Tenn.</p>	<p>Acts Promptly "Ayer's Cherry Pectoral is a very fine preparation indeed. It acts promptly in relieving the irritable cough and the feeling of rawness and pains in the chest. In chronic bronchitis I have found it of great value. It diminishes the cough, promotes rest, and relieves pain in the chest. In one case it seemed to reduce the temperature a great deal. I never noticed any injurious effects from it. From a study of your formula and from a clinical use of the preparation, I believe you have a most excellent cough remedy." THEODORE BUEHRING, M.D., Jan. 26, 1900. Ottine, Texas.</p>	<p>1851 "The medical profession of the whole South is indebted to you for the best remedy for the treatment of affections of the throat and lungs. I have used Ayer's Cherry Pectoral extensively and cheerfully recommend it." J. VIBSON, M.D., Oct. 17, 1851. Fort Gaines, Ga.</p>
<p>La Grippe "I have just tried your Cherry Pectoral in a case of la grippe, and with the most excellent results. It is a fine preparation and I am much pleased with it." J. F. RIKARD, M.D., Jan. 26, 1900. Teckville, Miss.</p>	<p>Night Coughs "A few days ago I had a bad case of chronic bronchitis, and, having tried at different times several remedies without effect, I put her on your Cherry Pectoral, applying some of your Cherry Pectoral Plasters across her chest as well. In one week the paroxysms of difficult breathing, the night cough, and the abundant expectorations ceased." J. S. NICHOLSON, M.D., Jan. 23, 1900. Brookfield, O.</p>	<p>Old Coughs "I have seen Ayer's Cherry Pectoral work like a charm in cases of old chronic coughs, curing after many others have been tried." ELMORE PALMER, M.D., Jan. 31, 1900. Buffalo, N. Y.</p>	<p>Plaster is Unexcelled "I do not know of any remedy that reaches so large a number of cases for coughs and colds as Ayer's Cherry Pectoral. The Pectoral Plaster is unexcelled, also. I have always had good results from both." CHAS. H. PARSELL, M.D., Jan. 22, 1900. Falls City, Neb.</p>	<p>Satisfied "I can say that I have used Ayer's Cherry Pectoral with a great deal of satisfaction." C. C. CLEVELAND, M.D., Jan. 31, 1900. Minneapolis, Minn.</p>	<p>1852 "I have used Ayer's Cherry Pectoral in my practice with the most excellent results. My experience with it convinces me it is a successful antidote for that dreadful scourge of our country—consumption." JOHN F. PRINGLE, M.D., June 6, 1852. Jefferson, Mo.</p>
<p>Asthma "I have had splendid experience with Ayer's Cherry Pectoral in coughs and asthmatic troubles." N. C. GUNDER, M.D., Jan. 23, 1900. Columbus, Ohio.</p>	<p>Spasmodic Cough "I had been sick with pleuro-pneumonia about six weeks and was suffering with a spasmodic cough that did not yield to the ordinary remedies. I immediately began the use of Ayer's Cherry Pectoral, and it brought me complete relief in a very few days." ISAAC BROTHERS, M.D., Jan. 25, 1900. Youngstown, Ohio.</p>	<p>Immediate Relief "I have frequently prescribed Ayer's Cherry Pectoral. The last case was for an old man who had a most annoying cough. He told me it gave him almost immediate relief. The Pectoral Plaster I have used in cases of ovarian neuralgia and backache, and with the most flattering results. One of my patients said the never had such relief from any source." L. LOUIS ROE, M.D., Jan. 29, 1900. Kansas City, Mo.</p>	<p>For All Coughs "I have used your Cherry Pectoral and I find that it does very well for all coughs and affections of the throat and lungs." G. R. ROBERTSON, M.D., Jan. 29, 1900. Fair River, Mo.</p>	<p>Cough from Pneumonia "My son, aged 18, had been very low with pneumonia. A cough with soreness of the lungs remained. For this I gave three-fourths of a teaspoonful of Cherry Pectoral four times a day. Before one bottle was used he was able to go to work. I also like your Cherry Pectoral Plaster, and have used it for rheumatism of the muscles and chest." M. CARLTON, M.D., Jan. 23, 1900. Grovespring, Mo.</p>	<p>1853 "I have used Ayer's Cherry Pectoral in my practice since 1853 and have always found it to be reliable for the cure of coughs, colds, and all lung diseases." S. HAYNES, M.D., Jan. 19, 1882. Sarinac, N. Y.</p>
<p>Whooping-cough "From experience in my own family I cannot speak too highly of Ayer's Cherry Pectoral. I consider it a specific for nearly every case of whooping-cough." H. E. WILKINS, M.D., Jan. 29, 1900. Sorento, Ill.</p>	<p>Distressing Coughs "I have used Ayer's Cherry Pectoral in distressing coughs, and with good results." C. E. LEATHERMAN, M.D., Jan. 26, 1900. Louisville, Ky.</p>	<p>The Greatest Medicine "I believe Ayer's Cherry Pectoral is the greatest medicine I ever used. It deserves more praise than you give it. Nothing can surpass it in the treatment of diseases of the respiratory organs." S. F. WALKER, M.D., Jan. 29, 1900. Texarkana, Ark.</p>	<p>Plaster is Unexcelled "I do not know of any remedy that reaches so large a number of cases for coughs and colds as Ayer's Cherry Pectoral. The Pectoral Plaster is unexcelled, also. I have always had good results from both." CHAS. H. PARSELL, M.D., Jan. 22, 1900. Falls City, Neb.</p>	<p>Satisfied "I can say that I have used Ayer's Cherry Pectoral with a great deal of satisfaction." C. C. CLEVELAND, M.D., Jan. 31, 1900. Minneapolis, Minn.</p>	<p>1854 "I must say that Ayer's Cherry Pectoral is the surest and best remedy for the various affections of the throat and lungs. I invariably recommend my friends to keep it in the house." JOHN D. WAYLAND, M.D., April 10, 1854. Franklin, N. C.</p>
<p>Consumption "Lately I have had a fine opportunity of testing the great value of Ayer's Cherry Pectoral. The case was a woman who was in bed, coughing and raising blood and suffering also from night sweats. The Cherry Pectoral controlled her cough and she is now well and doing her own work." J. T. HENRICK, M.D., Jan. 25, 1900. Alfordville, Ind.</p>	<p>Most Excellent "I consider Ayer's Cherry Pectoral the most excellent remedy for all kinds of lung troubles." O. P. B. WRIGHT, M.D., Jan. 25, 1900. Clinton, Wis.</p>	<p>Cough of Measles "Your Cherry Pectoral and Pectoral Plasters are all right. I think they are first-class for the treatment of irritation of the lungs and bronchial tubes from whatever cause. They will also relieve that hectic condition produced by taking cold after an attack of pneumonia; and after measles, also, which even causes a relapse and frequently leads to pneumonia if not taken in time." J. STEVENS, M.D., Jan. 30, 1900. Bangor, Me.</p>	<p>Plaster is Unexcelled "I do not know of any remedy that reaches so large a number of cases for coughs and colds as Ayer's Cherry Pectoral. The Pectoral Plaster is unexcelled, also. I have always had good results from both." CHAS. H. PARSELL, M.D., Jan. 22, 1900. Falls City, Neb.</p>	<p>Satisfied "I can say that I have used Ayer's Cherry Pectoral with a great deal of satisfaction." C. C. CLEVELAND, M.D., Jan. 31, 1900. Minneapolis, Minn.</p>	<p>1855 "I was in the beginning stage of consumption. I had night sweats and a terrible cough. I then tried Ayer's Cherry Pectoral, and the first few doses gave relief. In a few weeks I was cured. I find that many of my brother physicians are using this same remedy." Q. A. BRADDOCK, M.D., May 15, 1855. Braddock's Mills, Pa.</p>
<p>Known it Many Years "I am now 71 years old, and it seems to me that I have used Ayer's Cherry Pectoral as long as I can remember, certainly ever since I have been in the practice of medicine." FRANK A. HOWE, M.D., Jan. 31, 1900. Big Rapids, Mich.</p>	<p>The Best "I do not hesitate to say that Ayer's Cherry Pectoral is one of the best cough medicines I have ever used." O. A. RHODES, M.D., Jan. 30, 1900. Washingtonville, Ohio.</p>	<p>Relieves Suffering "Ayer's Cherry Pectoral is the best cough medicine I have ever used in a practice of over 33 years. I wish that each doctor throughout the length and breadth of this land could realize how it relieved suffering in all lung troubles." J. K. HAMILTON, M.D., Jan. 24, 1900. Millwood, Ark.</p>	<p>Plaster is Unexcelled "I do not know of any remedy that reaches so large a number of cases for coughs and colds as Ayer's Cherry Pectoral.
