A. New Growth of Hair.

"I can honestly and positively say that my hair has greatly improved under the use of Ayer's Hair Vigor. I had tried almost everything I could get before this and yet without doing me any good. My hair was becoming very thin and very gray. After using three bottles of Ayer's Hair Vigor my hair stopped falling out and the old color has been completely restored. Most remarkable of all, I notice an entirely new growth and my hair is really coming back again."

"About thirty years ago I bought a bottle of Ayer's Hair Vigor to stop my hair from falling out. I only used about half of the bottle when I was cured. A few days ago my hair began to fall out again and I went to the medicine shelf and found the Hair Vigor just as good as when I bought it. This is, to my mind, a positive proof of the wonderful keeping properties of your Hair Vigor."

Always Restores Color to Gray Hair.

"The Secret of My Dark Hair."

"I wish to tell every one what Ayer's Hair Vigor has done for me. About three years ago my hair commenced to fall out. It would come out by the handful every time it was brushed or combed. The gray hairs began to creep in, and I was in despair. I tried remedy after remedy, but without any satisfaction. Then an old lady friend of mine, whose dark hair had always been a marvel to me, told me to use Ayer's Hair Vigor. She said, 'It is the secret of my dark hair.' So I had my hair cut short and began the use of the Hair Vigor. After two bottles my hair stopped coming out and there was not a faded or gray hair to be seen. After using six bottles my hair began to grow thicker and thicker, until now it is as heavy and luxuriant as I could possibly wish. And it still keeps on growing. I only use the Vigor now about once a week, it keeps my hair in such perfect condition. I send you a photograph of myself, which you may use as you see fit."

Every Bald-headed Man Should Try it.

"Three years ago my daughter, who is now 14 years of age, lost all her hair. Our family physician did everything he could for her, but entirely failed. Her head was as bald as her cheek. On the 5th of November, 1898, I bought one bottle of Ayer's Hair Vigor and commenced using it. We are now using the third bottle, and her head is covered with thrifty, healthy-looking hair. We are all so proud of it we cannot withhold our gratitude to you. I wish every bald-headed man in the world would try this wonderful medicine, for I shall continue to praise it as long as I live."
