April First Don't Be Fooled

In the selection of your spring suit, don't take any chances of paying more than they should. Go where there is absolutely no risk. Buy where the name on the coat is a guarantee of value.

The late José Billings once said he had read several essays on milk but the best thing he had ever seen on it was the cream. You have undoubtedly read several essays on spring clothes but you never saw anything better on it than

A "MOYER" LABEL

It's a mark of distinction in style. It's an ideal in practical economy. It's the satisfaction of knowing that your clothes are proper.

A Tire is Punctured

when something has penetrated to the inside, and it stands to reason, therefore, there is the only that the inside of the tire is where the puncture should be repaired.

The Dunlop Detachable Tire can be opened and repaired on the inside where the work will be effective and out of sight; not marring the appearance of the tire.

No necessity for an expert or an expert's appliances; just use your hands. Booklet of any dealer or of us.
