...A SALE OF...

Silverware and Jewelry

The points about this sale are FOUR

FIRST—There are no imperfect goods in it. Our stock of Silverware is of the first quality only. We stand behind every piece of silver we sell with the guarantee that it is perfect.

SECOND—These goods are 1899-00 productions.

THIRD—They are made by the very best jewelers and silversmiths in America.

FOURTH—Every piece is offered at immense reductions from our regular prices. They are mostly offered at half price and less. They are probably one-third the prices charged elsewhere for the same quality.

Read the offerings carefully for you have never had such Jewelry Bargains before

The transaction includes a magnificent collection of Sterling Silver and most artistic Quadruple-plated Table Wares, and Rogers' Knives, Forks and Spoons; also Sterling Mounted Articles for the Toilet Table and Desk.

Probably the most radical departure from the precedents of the past is the offering of

Rubber in Pneumatic Tires

performs only two functions; it affords an airtight inner surface and a tough outer wearing surface. The fabric (not the rubber) is what determines the resilience, strength and lasting qualities of a tire, and the fabric in the Dunlop Tire is preserved in all its natural strength by our "hand-made" process of treating it. Booklet of any dealer or of us.
