

THE COMMERCIAL VALUE OF SIBERIA

How It Has Developed the Country and Made Industrial and Social Progress Possible.

KRASNOIARSK, Siberia, Sept. 1.—Our train trundled through this city on this morning, which was the first favorable sign of a day that has proved fruitful of interest and satisfaction.

Two Great River Systems. These two great river systems which have been described reach the Arctic Ocean through well-defined estuaries.

The Obi an Important River. The Obi, most western of the great Siberian rivers, has been the most important factor in the communication with the interior of the country.

English in Siberia. Here in the middle of Siberia I have found hospitality at the genuine English home of a genuine English family.

Permanent Circus at Krasnoyarsk Building in Construction for Pe. An accepted fact that communication with Siberia by the waters of the North was impossible, and the voyages had ceased long before the present century.

vessel which would enter the mouth of the Yenisei and bring back a cargo of graphite, no one was tempted. Not for nine years was the first effort made to test the truth of the calculations.

BOYS' SCHOOL AT KRASNOIARSK.

Sidorov are the ones to be noted as the important factors in opening this far Northern route to commerce.

Some Picturesque Features. The trade has some peculiarly picturesque features, and to me the most notable of these is the uncertainty of the arrival of the goods.

CENSUS OF LIVESTOCK. Special Attention This Year—How Cattle Have Increased.

WASHINGTON, April 11.—The livestock interests of the United States are to be given special attention in the twelfth census.

Permanent Circus at Krasnoyarsk Building in Construction for Pe. An accepted fact that communication with Siberia by the waters of the North was impossible, and the voyages had ceased long before the present century.
