BUILDING, SALEM.

Owner Denies Sufficiency of Sale of the Leasehold, and Removes Doors and Windows.

SALEM, Or., May 5.-At 10 o'clock this norning Sheriff Durbin sold at execution sale an H months' lease on two law of-fices in the Ladd & Bush Bank building. fices in the Ladd & Bush Bank building, occupled by Attorney H. J. Bigger, the judgment debtor. The lease was bid in by R. J. Fleming, as attorney for the judgment creditors. Fleming immediately took possession of the offices, which are in the most conspicuous corner of the building. Mr. Bigger still remained in his offices. Shortly afterward A. N. Bush appeared and ordered Mr. Fleming out. Mr. Fleming did not so, but shored his appeared and ordered Mr. Fleming out.
Mr. Fleming did not go, but shared his
newly bought offices with Mr. Bigger and
a representative of Mr. Bush. After the
three had stood guard for several hours,
Mr. Bush had the door and windows removed, and left Fleming in possession.
The latter has employed a man to stand
guard all night, and will await developments.

ments.

Mr. Bigger had paid a year's rent in advance, but Mr. Bush claims the lease was forfeited under a provision of the contract forbidding a levy under execution.

Not Bright for Indian War Veterans. Some time ago Governor Geer wrote President McKinley and Speaker Hender-son, urging them to use their influence in favor of the pansage of a bill provid-ing pensions for Indian War Veteraus. He today received acknowledgments from both officials Among other things, Speaker Henderson said:
"It is a bad time to urge this at pres-

ent, with our tremendous burden of ap-propriations, although something may be ne in this Congress if not in this ses-

New Rule for Examinations. The State Board of Education has amended rule 9 for conducting eighth-grade final examinations to read as fol-

Pupils who shall reach an average of 80 per cent in all branches, and shall not fall below 70 per cent in any one branch, will be considered as having successfully passed the examination; provided, that an applicant may pass the examination in geography at any regular examination following the completion of such subject by such applicant, when evidenced in writing by the teacher in charge of the school at the time such applicant completed such subject; and the standing received in such examination on such sub-lect shall be placed to the credit of the applicant and form a part of his final examination after graduation; provided, further, that any applicant for an eighth-grade diploroa who shall attain the required percentages in one or more of the designated branches, and shall fall in one or more of such branches, shall be credited with such resident and applications. sted with such required percentages and shall be allowed to complete the examination in the remaining branches at the following examination, and shall then receive an eighth-grade diploma in accordance with the result of all the examinations.

The examinations referred to will be ield beginning on the fourth Thursday in day. Questions for the examination are ow in course of preparation.

Encampment for Salem.

At its meeting in Portland yesterday, the military board decided that the military encampment this season shall be held at Salem, beginning July 7, and continuing cight days. This, however, is made contingent upon Salem making some concessions that will lighten the expense of the encampment. These matters will probable encampment. These matters will probably be arranged without difficulty. New Oregon Incorporations.

The following new companies filed arti-cles of incorporation in the office of the Secretary of State this week:

The Des Chutes & Crescent Lake Irriga-tion Company, Portland, \$50,000; D. E. Rudd, C. N. SHEEP BUSINESS LIVELY

County Pioneer of 1852.

HILLSBORO, Or., May 5.—Henry Bellenger Tucker, aged %, who came to Oregon in August, 182, died at the home of his son, William Tucker, near Beaverton, yesterday, of pneumonia. Deceased was born in Kentucky, Deceased was born in Kentucky, Deceased was father, William Tucker, was a North Carolinan, and was one of the Kentucky pioneers. When the War of 1812-broke out he joined Hull's forces at Detroit as one of the kentucky rifemen, From there he never returned, and it is supposed he was ambushed by Indians while returning from the frontier.

Early in life Henry Tucker went to Interest the property of the Kentucky rifemen, From there he never returned, and it is supposed he was ambushed by Indians while returning from the frontier. smbushed by Indians while returning from the frontier.

Early in life Henry Tucker went to Indiana, where he married Edizabeth Mc-Kay, daughter of a veteran of the War for ISI2. The Summer of ISI2 they crossed the plains, their children coming with the train. They settled near Beaverton, where the wife died in August, ISI. Two sons survive—Thomas Tucker, aged 65, a resident of Hillsboro, and William, aged 67, with whom the father was visiting when death came.

Shearers and representatives of the transcontinental religence for the big bills of livestock that start from the big bills of livestock that start from the plains, and other buyers have recently arrived. Delivery of sheep to their new owners begins today and will continue through the coming two weeks.

W. B. Finley has bought from H. E. Bartholomew 1900 ewes with 1900 lambs at 12 a head all around.

George Hufford has declined an offer

George Hufford has declined an offer of \$3 for his dry ewes, which are from 1 to 4 years old. Most sheep men have now marked their death came.

Deceased was in the early days one of Oregon's famous rifle-shots, and his prowess as a hunter was a credit to the reputation of old Kentucky for producing the world's greatest marksmen. Mr. Tucker's first Presidential vote was cast for Andrew Jackson. Since the Civil War, however, here here an artifact Republican. lambs, and all report an immense in-crease. Matlock & Hufford have marked 1450 lambs from 1255 ewes, and yet lost a great many lambs. W. G. McCarty has marked 1167 lambs from 1621 ewes, and all are strong and vigorous.

Wool Rolling In.

Heppner has become one of the chief Heppner has become one of the chief wool markets of the Northwest, and w.il this year handle several million pounds. R. F. Hynd, of the Morrow County warehouse, has already received 400,000, pounds this senson, and Phil Cohn, of the Henry Heppner warehouse, has received about the same amount. This is double the quantity received at this date last

severe attack of in grippe. He had been sick but a few days. He was past 70 years of age. He left a wife. The funeral will take place from the Methodist Church year.

The quality of this season's wool is pronounced by all to be the best ever raised here. C. A. Rhea, who has been here over 30 years as cattle man, sheep-raiser and banker, says that he never before saw the equal of this year's ellp for ling, staple and general excellence.

The wool market has not opened here and accordingly by watching the Lore a prominent citizen of this county, died at her home at Battle Ground at an early hour yesterday morning. She left a hus-band and six children. The funeral will hand and six children. The funeral will take place from the family residence at Pattle Ground at 16 o'clock tomorrow. Delegations from the Vancouver lodges of Red Men and Woodmen of the World, to which Mr. Daly belonged, will attend. yet, and ersrybody is watching the Lon-don nales. Many woolbuyers come to Heppner every Spring, but as yet only one has arrived here, and he eays he is not yet prepared to make offers,

County Finances. Morrow County is in excellent financial condition, and practically out of debt. Mat Lichtenthal, County Treasurer, has just remitted to the State Treasurer K.in full for all taxes owed the state by Morrow County to date.

deppner Notes.

H. C. Giger has removed hore from The Dallos and bought an interest in one of Heppner's largest mercantile establish-

R. G. Simpson, of Albany.

ALBANY. Or., May L.—Robert Gibson Simpson, of this city, who was recently committed to the asylum at Salem from Heppner, where he had been for his health, died this forenoon at the asylum of hemorrhage of the brain, at the age of 74 years. He was born in New York City, moving from there to the Middle West, and in 1838 to Oregon, locating a few months later in Albany, where he has been in the laundry business. He left a wife and five children—John A. Simpson, of Silverton; Arthur L. Simpson and Mrs. J. Achenbach, of Albany; Mrs. Henry Bryant, of Heppner, and Mrs. S. B. Smith, of Sloux City. In. The remains will be buried in Albany Monday afternoon. Many etrangers are arriving in Heppner, and the big hotel is kept well filled. Grant County teams are arriving very frequently and taking away large loads of general merchandise for the great in-

DIED OF HIS INJURIES.

OREGON CITY, Or., May L.-N. N. Robbins today received a telephone message announcing the death of his sister, Mrs. J. H. Hamilton, at Hamilton, Grant County, which occurred yesterday. The deceased was a Clackannas County ploneer of 1852, but has resided in Grant County for a number of years past, Mr. Hamilton having represented Grant County in the State Senate. Besides her hus-Lane County Young Man Who Was Hurt in a Runaway Accident. Hurt in a Runaway Accident.

EUGENE, Or., May 5.—Harry Gossler, who was injured in the runaway accident at his father's place, four miles northeast of Eugene, Thursday evening, died early this morning from his injuries. The injury to the brain was such that the physicians could give him no relief, although a portion of the skull was raised to take away the pressure from the point where there appeared to be clotted blood. The young man did not regain consciousness after his injury. He was 21 years old, and unmarried. One Discovered in Linn County, and

ALBANT, Or., May i.—In searching the records of Linn County today to perfect the title to some property, a marriage was discovered to have been performed by a notary public. The contracting parties were Robert Small and Miss S. J. Houston, and the ceremony was performed by J. J. Beard, notary public, the entry being made by George E. Chamberlain, now of Portland, as Deputy Clerk. The lawyers declare that it vitlates title. Under this marriage Mr. and Mrs. Small lived together until Mr. Small's death.

Arrangements have been begun here by the I, O. O. F. for the biggest long-dis-tance excursion ever taken from Albany. D. A. Sharples, one of the most enthustastic prune men of Lane County, reports that his Italian prune orchard, near Gosben, will produce about half a crop. His orchard lies in a low place near the May ZI a special excursion will be given from here to the Grand Lodge of the L. O. O. F., to meet in Astoria, for which the round-trip rate is only 23, made possible by the war between the boats and Coast fork of the Willamette, where the frost was as severe as at any place in the county, and his fruit was consider-ably damaged, and he thinks that, except for artificial protection, his crop would Rev. O. B. Streyfeller, of this city, forhave been totally destroyed. He employed mer'y of Portland, has severed his connec-tion with the Evangelical Church and united with the Methodist Church, under which denomination he will begin work at the smudge fire process to counteract the cold, and thinks it was very beneficial. He has always been a firm believer in this artificial means of preventing frost.

A Lane County Teachers' Institute was held today in the Eugene High School building. There were addresses by Coun-ty Superintendent Miller, City Superin-tendent Ressler and Professor F. S. Dunn. About 10 years ago a number of black bass were placed in the Willamette River for propagation. For the first time they have just been caught at this city, sev-eral being captured, weighing from 8 to

> BUILDING-STONE DISCOVERED. Fine Ledge of Sandstone Uncovered at the Lakeview Reservoir.

LAKEVIEW, Or., May 2-While work-ing on the new reservoir for the town yes-terday workmen discovered a quarry of fine building-stone, the first known to ex Porthad 7 to 5.

CORVALLIS, Or., May 5.—The Agricultural College team won the state chamcultural college team quarry discovered yesterday is of a blue sandstone of the best quality for building purposes, and it seems to be inexhaust-ible, as a broad ledge leads toward the eart of a large mountain. The reservoir

s being blusted in the rocks in the moun

to 5 in favor of O. A. C. At the conclusion of the second half the score stood I to 5, but the rules require the continuation of the game, in case of a tie, until one of the teams shall score two additional points. The needed points were made by O. A. C. in a beautiful goal from the field, made by Miss Leita Owenby within two minutes of the renewal of the play. The game was witnessed by several hundred people, and was very exciting.

The O. A. C. team has lost no games, and has been victorious in the following: O. tain above town, and there being soft places in the rock, which necessitated lin-ling the reservoir, caused the workmen to look for a bettergrade of rock for this purpose. Near by they found outcropp which led to the discovery of the led Caught 400 Pounds of Trout. Rev. L. H. Myers, a Baptist preacher, and H. Schminck, a merchant, have re-turned from the north fork of Sprague has been victorious in the following: O. A. C. vs. Albany, 47 to 2; O. A. C. vs. State Normal, 22 to 2; O. A. C. vs. Chemswa, 2; to 4; O. A. C. vs. Portland Y. M. C. A., 7 River, in Klamath County, where they caught 400 pounds of trout with hook and line. The largest weighed over 13 pounds. Tons of trout are being caught in that river, and only hooks and lines are used.
