CORDRAY.—Manager Cordray yesterday received the encouraging news from Nance O'Neil, who is about to sail from Australia, that she has purchased a kangaroo, and is going to bring it to him as a token of remembrance. Mr. Cordray has never had a kangaroo, but he will be very glad to get this one, and will put it on exhibition for the benefit of the patrons of his theater. He is even thinking of putting a company on the road now, for the kangaroo could make the long jumps and thus save the heaviest item of expense. The animal will arrive in Portland some time this Summer, and Mr. Cordray will pasture it on his lawn on East Burnside street temporarily. He is not sure just what it ought to eat, but will feed it everything he can think of till it develops a liking for some particular viand. ... FRIENDS OF THE SIX O'CLOCK MOVEMENT.
