

NET LOSS OF NUMBERS

BUT CHRISTIAN ENDEAVOR UNION IS IN HEALTHY CONDITION.

Financial Statement of the Oregon Convention—Officers Chosen for the Year—Work Accomplished.

ALBANY, Or., May 25.—Though the attendance at the State Christian Endeavor convention has not been large, compared with some years, there has been a marked enthusiasm and much interest in the proceedings, making the convention a decided success.

The programme this forenoon was a fruitful one. After a quiet hour and a song service, Rev. C. W. Ford, of Astoria, read one of the youngest ministers in the state, delivered an address on "A Working Knowledge of the Bible," in which he emphasized the importance of it in Christian work.

Rev. Allyn Eason, of Monmouth, spoke on the consecration of means as an essential in the life and work of a Christian to be effective, and its importance in the service.

An address of much power was presented by Rev. H. L. Reed, of this city, on "Investment of Christian Influence in Oregon," giving as a comparison the investments of Astor in the beginning of the century, resulting in a family of millionaires, and those of the Christian pioneers who built up our country.

The report of Treasurer Bode showed the following: On hand at beginning of last year, \$77 90; Collection in church at Portland, 45 90; Convention pledges, 59 50; Pledges and contributions during year, 126 51.

Total, \$309 81; Expenses during year, \$25 46; Balance, \$34 35.

The president appointed the following committees: On nominations, Henry Cramer, Mr. Robert McMurphy, Mrs. C. M. Charlton; on resolutions, Rev. H. L. Pratt, Rev. J. B. Holmes, Mrs. E. D. Eiler; on auditing accounts, Ed Shearer and C. A. Muir.

The afternoon session was opened with junior exercises, led by Mrs. Henrietta Brown and Mrs. J. M. Irving, the work being practically demonstrated, followed by a paper by Miss Mabel Wheeler, of Eugene, on the work among Juniors.

The advanced Christian Endeavor work was treated in an impressive way by Mrs. E. D. Rice, of Ashland, on missions; by Mr. A. F. Bode, of Milton, on being in one's place; by Rev. G. E. Henderson, of Oakville, on the law enforcement; and by Miss Margaret Smith, of Portland, on the local union.

The following officers were elected: President, Rev. A. J. Montgomery, Oregon City; vice-presidents, Rev. J. J. Evans, Salem; C. E. Sox, Albany; Ella D. Elice, Ashland; Secretary, Mary G. Carr, Portland; treasurer, A. F. Bode, Milton; superintendents, missionary, Alice Smith, Eugene; good citizenship, H. L. Pratt, Salem; sporting, Mrs. Harvey Bailey, of Portland; literary, G. E. Henderson, Oakville; Juniors, Mrs. T. M. Gault, Oregon City.

AT LAST CHINA WILL ACT.

So Declares a Methodist Missionary Returned From Shanghai.

SEATTLE, May 25.—Rev. Henry L. Abbott, who for three years past has had charge of the Methodist Missionary Society's mission house at Shanghai, returned here today, his former task to spend a year's vacation. Today he said: "China will at last make a vigorous effort to stamp out the Boxers, a secret society of fanatics who have been murdering missionaries, missionaries and foreigners in general. The edict has gone forth from Peking. Armies are being gathered to crush the rebels."

Several of the bloodthirsty leaders have been arrested and thrown in jail to await criminal prosecution, while others are now engaged in a desperate struggle to escape here to bring to light the real heads of the organization. But the end is not yet, and it remains to be seen whether the attempt will be successful.

Upper Yukon Is Open.

TACOMA, May 25.—Skagway advice of May 20 that navigation is opened on Lake Bennett, and the Yukon River is now open clear to Dawson, with the exception of Lakes Lebarge and Tagish. The steamer Alpha cut through the ice on Lake Bennett, and will be followed on Sunday by the steamers Gleaner and Australian, both of which will carry railroad materials from Bennett to Caribou.

A Townsite Swindle.

SKAGWAY, May 25.—The report has been received by telegraph that people who bought lots on the new townsite of White Horse some time ago, from persons claiming to have authority to sell, have been evicted, on the ground that they were on land reserved for the crown. It appears every third block was reserved, and some one without authority has taken the land and put the money in his pocket. Some had buildings on the land. An effort is being made for the return of the money. The townsite, aside from the reserved portions, is controlled by the White Pass & Yukon Railroad.

BUILDING IN VANCOUVER.

Several New Business Structures—All Have Been Rented Already.

VANCOUVER, Wash., May 25.—There is considerable activity in building operations in this city at present. Four new stores are being erected on Main street and another has been moved from a remote part of the business district to the vacant space on Mrs. McNeil's lot on Main street, adjoining the Masonic building. All of the new buildings have been rented, and will be occupied as soon as

completed. One very noticeable feature is that the new building operations are being carried on in the business district, between Sixth and Eighth streets, and several of those who will become tenants of the new buildings, which are all frame or iron-clad frame structures, are now occupying stores in brick buildings further down town. The exodus of business towards up-town stores, while it will not be extensive, is still sufficient to cause some alarm to owners of brick buildings in the lower part of town. The City Council is being severely criticized by persons owning brick buildings for their action in permitting these frame structures to be erected within the bounds of the established fire limits. They contend that it is not fair to those who in former days, when the ordinance establishing fire limits was being strictly enforced, were compelled to build brick buildings or allow their property to remain idle. The erection of these frame buildings has caused a considerable increase in insurance rates that part of the business district. The Vancouver Milling Company, which some time ago leased a part of the new building on the corner of Fourth and West B streets for a flouring mill, has about completed the work of remodeling the building for mill purposes and installing the machinery, and expects to be ready to start the mill running about June 1.

To Observe Memorial Day.

Extensive preparations are being made by the members of Ellsworth post, G. A. R., and the Woman's Relief Corps for the observance of Memorial Day. There will be a grand street parade, in which the battalion and band of the Seventh Infantry will participate, in addition to the members of the Grand Army, Sons of Veterans, Company G, of the National Guard, Army and Navy Union and civic organizations. This will be followed by an address and other appropriate exercises to be held in the City Park, if the weather shall permit otherwise in the Auditorium. Bishop E. J. O'Dea will deliver the address. The usual decoration of the graves of deceased soldiers and veterans will take place in the forenoon, and persons desiring to contribute flowers for the occasion have been requested to do so before 4 A. M. on May 30, and to take them to Georgetown's Hall, corner of Main and Seventh streets, where a committee will be in waiting to receive them.

ATHLETICS FOR THE ASSEMBLY.

Chautauquians Will Make More of a Feature of Field Sports.

OREGON CITY, Or., May 25.—Dr. W. E. Carr, chairman of the athletic committee of the Willamette Valley Chautauque Association, decided today to put up a \$50 cup as a trophy for the winning team in the baseball tournament to be given at Gladstone Park during the July assembly. The athletic committee has appointed A. M. Grilley, general secretary of the Oregon City Y. M. C. A., director of the physical culture classes, and he will also have charge of the field events. Field sports will be featured a greater specialty this year than ever before, and medals will be given for the winners in first and second places in each event. Among the special events for field sports will be a 100-yard dash, 200-yard hurdle, 400-yard run, one-mile run, broad jump, shot-put, pole vault, hammer-throw and high jump. The bicycle race will be a special feature, and will be governed by the rules of the Amateur Athletic Union of the United States, professionals being strictly debarred from entering the contests. The events for bicycle day are: One-mile open, three-mile, three-mile race and one-half mile race.

Teachers Meet at Molalla.

The Clackamas County Teachers' Association held its regular monthly meeting at Molalla today. Owing to the rainy weather the attendance was not as large as usual. The programme consisted of papers on "Food and Digestion," by J. F. Mize, of Neely; "The War of 1812," by C. M. Critchfield, of Hillsboro; "How to Make School Hours More Pleasant," by George T. McArthur, of New Era; also an instrumental solo by Eugene Ogde, and a recitation by F. L. Schamel.

What's the Matter?

Farmers from different sections of the county, who were in town today, report that Fall wheat is raising very badly on account of the continued rains. The aphid is reported to be present in portions of the Molalla district. However, it is not believed that serious damage will result, should there be plenty of sunshine.

Campaign Speeches.

Hon. W. Fulton and Mrs. Abigail Scott Dunaway were among the speakers at the county candidates' Republican meeting held at Oswego last night. Mrs. Dunaway's address was the best heard. She urged an amendment to the county and legislative candidates held a meeting at Clackamas, which was also addressed by Mr. Fulton. The Citizens' committee held a meeting at New Era tonight.

WILL WED THE GOVERNOR

FORMAL ANNOUNCEMENT BY MISS TRULLINGER'S PARENTS.

The Event Will Take Place in Astoria About the Middle of Next Month—Clatsop County News.

ASTORIA, Or., May 25.—Mr. and Mrs. J. C. Trullinger today announced the engagement of their daughter, Miss Isabel Trullinger, to Governor T. T. Geer. The wedding will take place in this city about the middle of next month.

Boatpulled Drowned.

John Rein, a boatpuler for one of the boats of the combine, was drowned about 9:30 o'clock last night at Desdemona Sands. He was about 24 years of age, unmarried and a native of Finland. He had lived in Astoria about one year.

It is thought that Neils Stefenson, a fisherman, and his Postpuler, whose name is not known, were drowned during the storm on Wednesday afternoon. They left Sand Island to come to Astoria while the gale was at its height, and neither the men nor their boat had been seen since. Stefenson was employed by the combine. He left a wife.

Fishermen Heed the Warning.

Since the recent arrests were made for illegal fishing on the river, 238 gear and 14 boats, including arrangements from Fish Commissioner Reed's office, and it is thought fully as many more have been issued from the office of Deputy Commissioner Burt, at Ilwaco. As the applications for gear have commenced to slacken up, the patrol-boat is on the river again, and after a few more arrests are made it is expected there will be another run.

Held to Circuit Court.

In the Justice Court this afternoon Charles Herbert, charged with assault with intent to kill Richard McCarron, was placed under \$1000 bond for the Circuit Court, for the next session.

POPULISTS LACK GINGER.

Have Little Heart in the Marion County Campaign.

SALEM, May 25.—James K. Sears, the regular Peoples party candidate for Congress from the First District, was in Salem today, making arrangements for the campaign rally to be held in this city next Monday afternoon in the interests of the Regular Peoples party. The speakers will be Hon. B. B. Odessa, of Astoria, and Hon. M. H. Howard, of Georgia. The meeting will be held in Marion Square.

It is a matter of frequent comment that the Populists are not very enthusiastic in the present campaign in Marion County. They are not at all satisfied with the way some of the Democratic candidates for county offices were forced upon them, and they have not forgotten their own legislative candidate, John A. Jeffrey, for deserting them and taking the nomination for District Attorney. Today is the last Saturday before the election, and the streets were lined up to be unloaded. The streets were filled with carbozene orators, who voiced the calamity howl for hours at a time. There has not been a single direct campaign speech in Salem this year. These changes indicate a change in the policy, if not in the principles of Populists. They have not been absorbed by the Democratic party, but they have not become so closely united with that party as to be enthusiastic for its success.
