WE ARE ALWAYS Fishing for Business

Now we want yours. Our favorite fly is low price. Our line is quality. Our pole is enterprise, and we make some pretty good casts, too. We not only meet demands—we anticipate them. We are up to the very moment in style—right down to the very bottom in price.

No matter how little you pay us for a suit, the money goes for honest, all-wool cloth, fashionable cut, appropriate trimmings, and, most important of all, fit.

Smart men realize the folly of paying high prices to tailors. They are buying high-class, ready to wear suits which are really more desirable than half the made-to-measure clothing. Our lines of men's

Summer Suits at \$12, \$15, \$18 and \$20

Are from the very best wholesale tailors. They're in all the very newest fabrics—they are elegantly tailored—they fit and hold their shape. They are made for men who appreciate style and quality at moderate prices.

It is because we know we can please you that we ask you to see us before buying.

We guarantee you satisfaction or your money back, and with a pleasant smile.

When You See It In Our Ad. It's So.
