According to the treaty, as I understand it, any slave in the islands ruled by the Sultan of Sulu can be freed upon payment of \$25 by him to his master. I doubt if this covers the island of Mindanao, but it covers the islands of the Sulu group, and, therefore, subject to the thirtieth amendment of the Constitution, which provides that slavery shall not exist in any place subject to the jurisdiction of the United States.

As to the United States, we are in force, and they will continue so until Congress adopts others. It was more than 200 years ago that Spain decreed that slavery should be abolished in the Philippines. King Philip II. of Spain decreed that all slaves over twenty years of age were to be freed after five years' more service.
