END OF THE ASSEMBLY

CHAUTAUQUA RECEIPTS MORE THAN PAY CURRENT EXPENSES.

Season Deemed Satisfactory, Though There Was No Extraordinary Feature—Work of Last Day.

GLADSTONE PARK, Or., July 21.—The seventh annual assembly of the Willamette Valley Chautauqua Association closed tonight with a grand display of fireworks. The attendance far exceeded any previous day of this assembly, hundreds of people coming in from Portland and various sections of Clackamas County. While the number of actual campers' tents were about 20 less than last year, the average daily attendance, barring the big days of former assemblies, broke the record for ordinary days. Although the account has not been made up for today's receipts, it is estimated that the management will be enabled to pay off all the expenses of this assembly and the indebtedness of $500 incurred in making building improvements. This is regarded as remarkable, considering the fact that no Sam Jones or Bryan was here this season to attract a multitude. It is a notable fact that the attendance has steadily increased during the past few days, and the management is well pleased with the results. The classwork has been an attractive feature of this assembly, and the attendance was never better at the class lectures, owing to the capability of the instructors.

Under the direction of Superintendent T. W. Potter, of the Chemawa Indian School, the pupils of that institution gave an excellent entertainment this morning.

Preceding Dr. Roland D. Grant's lecture on "Snakes in Paradise," this afternoon, Mrs. R. C. Ganong sang "Dawn," and responded to an enthusiastic encore with "Violets (Woodman). Mrs. E. E. Williams was the accompanist. Dr. Grant's lecture was more optimistic than yesterday, and he was greeted with a much larger crowd. After speaking of the various theories regarding the location of the Garden of Eden, he gave analytical and scientific reasons for his belief that Paradise was first located at the north pole; animals of the various species were created in their regular order, and then man. When man got there he found the snakes—at any rate, they came there about that time or before. There were trees in the garden, but there was one tree "that was good to look at, good to eat, good to make you wise, but you must not touch it." The snakes caused the downfall of man, and he had to leave the Garden of Eden; the frosts of the north drove him south, and he has continued to go south ever since. The lecture was highly entertaining, and illustrated with interesting stories, and the speaker was frequently applauded.

The officers and Board of Directors were re-elected as follows:

President, W. C. Hawley, Salem; vice-president, C. H. Dye; secretary, J. W. Gray; treasurer, T. F. Ryan; ground manager, H. E. Cross; other directors, J. T. Apperson, E. E. Charman, W. E. Carll and G. A. Harding.

This afternoon President W. C. Hawley's history class presented him with two elegantly bound historical volumes. The presentation address was made by Vice-President C. H. Dye, of the Chautauqua Association. In his response of appreciation Mr. Hawley said that one of the books was one that he had long wanted for his library.

The bicycle field meet, under the direction of A. M. Grilley, secretary of the Oregon City Y. M. C. A., attracted much attention, and was an entertaining series of events. There were 46 entries booked, and the majority of them participated in the contest. Prizes were awarded as follows:

Half-mile open—First prize, Ted Inglefield of Portland; time, 1:40. Second prize, George J. Johnson, Portland.

One-mile open—First, Inglefield, 3:08; second, J. B. McMonies, Portland.

One-mile novice—First, Gus Estburg, Portland, 2:56; second, Colburn Barrell, Portland.

Three-mile open—First, Inglefield, 7:19; second, Estburg.

The Chemawa Indian baseball team, which won every game played during this season, and had carried off the trophy, gave the Torpedoes, of Portland, an interesting game. The score stood 18 to 16 in favor of the Torpedoes, however.

A number of people who were attending the Chautauqua assembly have planned a trip to Mount Hood, intending to start next Tuesday. Among those who are to make up the party are mentioned the names of President W. C. Hawley, Miss Ackerman, of Salem; Professor C. E. Kemp, of Chicago; County Superintendent and Mrs. N. W. Bowland; the Misses Scott, of Milwaukie; A. C. Strange, of Mount Tabor; Professors T. J. Gary and E. E. Compston, and J. Howard Miller, of Oregon City.

The elaborate programme of closing exercises was carried out tonight. The park was thronged with people.

CLOSE OF ASHLAND ASSEMBLY.

In Every Way a Satisfactory Season —Officers Elected.

ASHLAND, Or., July 21.—The Southern Oregon Chautauqua Assembly closed its eighth annual session this evening with a grand concert, at which Mrs. C. B. Dexter, of Oakland, and Mrs. W. J. Whiteman, of Denver, were the soloists; Professor Wilberforce J. Whiteman, the conductor, and Miss Mary Stisby, the accompanist. The choruses were large, and the programme, which contained 10 numbers, gave much satisfaction to an audience that packed the building.

The annual business meeting was held this afternoon, at which the following officers were elected:

G. F. Billings, president; C. A. Hitchcock, vice-president; Rosa Dodge, secretary, and F. H. Carter, treasurer.

This year's assembly has been unusually successful. The attendance has been large and the receipts very satisfactory. The entire programme went off as arranged, and nothing interfered to interrupt the harmony of the meetings. The number of visitors and campers from other towns in Southern and Southeastern Oregon has been larger than at any previous assembly.

Last of the Slot-Machine Owners.

Yesterday afternoon the last of the warrants for the arrest of the slot-machine owners were served, and the following called at the police station and deposited $25 cash bail: A. Carlson, John Kelly, C. N. Lake, Jack Elskamp, Lizzie Smith and Gus Ruth.

AMUSEMENTS.

ALISKY'S WINTER GARDEN CAFE, THIRD AND MORRISON.
There is no abatement of the tremendous patronage. Fourth of July is over, and still it continues. Tonight there will be a popular Sunday 50-cent dinner, never before equaled in this city. The demand for reserved seats was so great the management had to decide that first come, first served. The dinner will open promptly at 5 P. M., continue until 8 P. M. The orchestra has been augmented for Sundays, and a select musical programme will be given until midnight. The 25 electric fans are keeping things cool and comfortable, to which next week, on the arrival of the big motor and fan, there will be added ventilation through and direct to the roof. Manager Harvey says things must be right and up to date. Portland says we want the Winter Garden, and they must have it. To please them no expense will be spared to perfect everything as fast as brains and labor can accomplish it.
Tonight prompt, courteous and efficient service will be given by the new corps of waiters. The dinner will be up to the highest expectations, and, with the fine musical programme, no one can fail to enjoy themselves.
