The parade will form on the Willamette River boulevard, near the Haywood Avenue bridge, and will move down to the Congress Hall grounds, near the foot of Tom McCall water front.

BIG FIGHT IN IDAHO

Republicans Are Likely to Carry the State.

TWO BRITISH ELECTORAL TICKETS

The Great English Sons of the Reforming Republicans are All: Battle.

The State of Idaho was the scene of some of the most interesting and important political events of the past week. The Republican party, which has been in power in the State for the past eight years, is now in a position to carry the State in the Presidential election, and the Democratic party, which has been in power for the past six years, is in a position to carry the State in the Congressional election.

INTEREST IN LONDON

Britishry Watching the American Political Campaign.

DEFENSE QUESTION IS REVIVED

General Berlin That England Will Room Fight One of the Great

LONDON, Nov. 4. (Special to the Portland Oregonian.)

The British government is displaying considerable interest in the American political campaign. The controversy over the question of the annexation of Hawaii is being revived, and the British government is determined to make its opinion known. The British government is also interested in the question of the annexation of the Philippines, and it is believed that the British government will take a position on that question. The British government is also interested in the question of the annexation of the Panama Canal, and it is believed that the British government will take a position on that question. The British government is also interested in the question of the annexation of the Suez Canal, and it is believed that the British government will take a position on that question. The British government is also interested in the question of the annexation of the Dardanelles, and it is believed that the British government will take a position on that question. The British government is also interested in the question of the annexation of the Bosporus, and it is believed that the British government will take a position on that question. The British government is also interested in the question of the annexation of the Black Sea, and it is believed that the British government will take a position on that question. The British government is also interested in the question of the annexation of the Aegean Sea, and it is believed that the British government will take a position on that question.
